Los Angeles, California

In Dedication

To Eagle Rock's

Mister "B"

S65
Linda Patterson

Mr. Ed Born, a man of varied talents and abilities, a man whose entire life centers on the philosophy of helping others. His interests are many, yet his prime motivation in life is his true dedication to the teaching of young people. He readily accepts students for what they are and firmly believes that you are what you make yourself, and it's this belief that has led him to be such a outstanding teacher at Eagle Rock for the past seventeen years.

Mr. Borns love for the outdoors stems from that fact that he was raised on a farm in Illinois. If you should ever go camping just south of Sequoia, at Mineral King in the High Sierras, look around carefully, for you will probably see Mr. Born scaling some large mountain. He has become so intrigued with camping that he even designs and builds his own gear. He learned most of his techniques and skills of mountaineering while attending a mountain climbing school in the Grand Tetons several years ago. On several of his sojurns into the high country he has had the added companionship of a bear, which at least kept things lively for him.

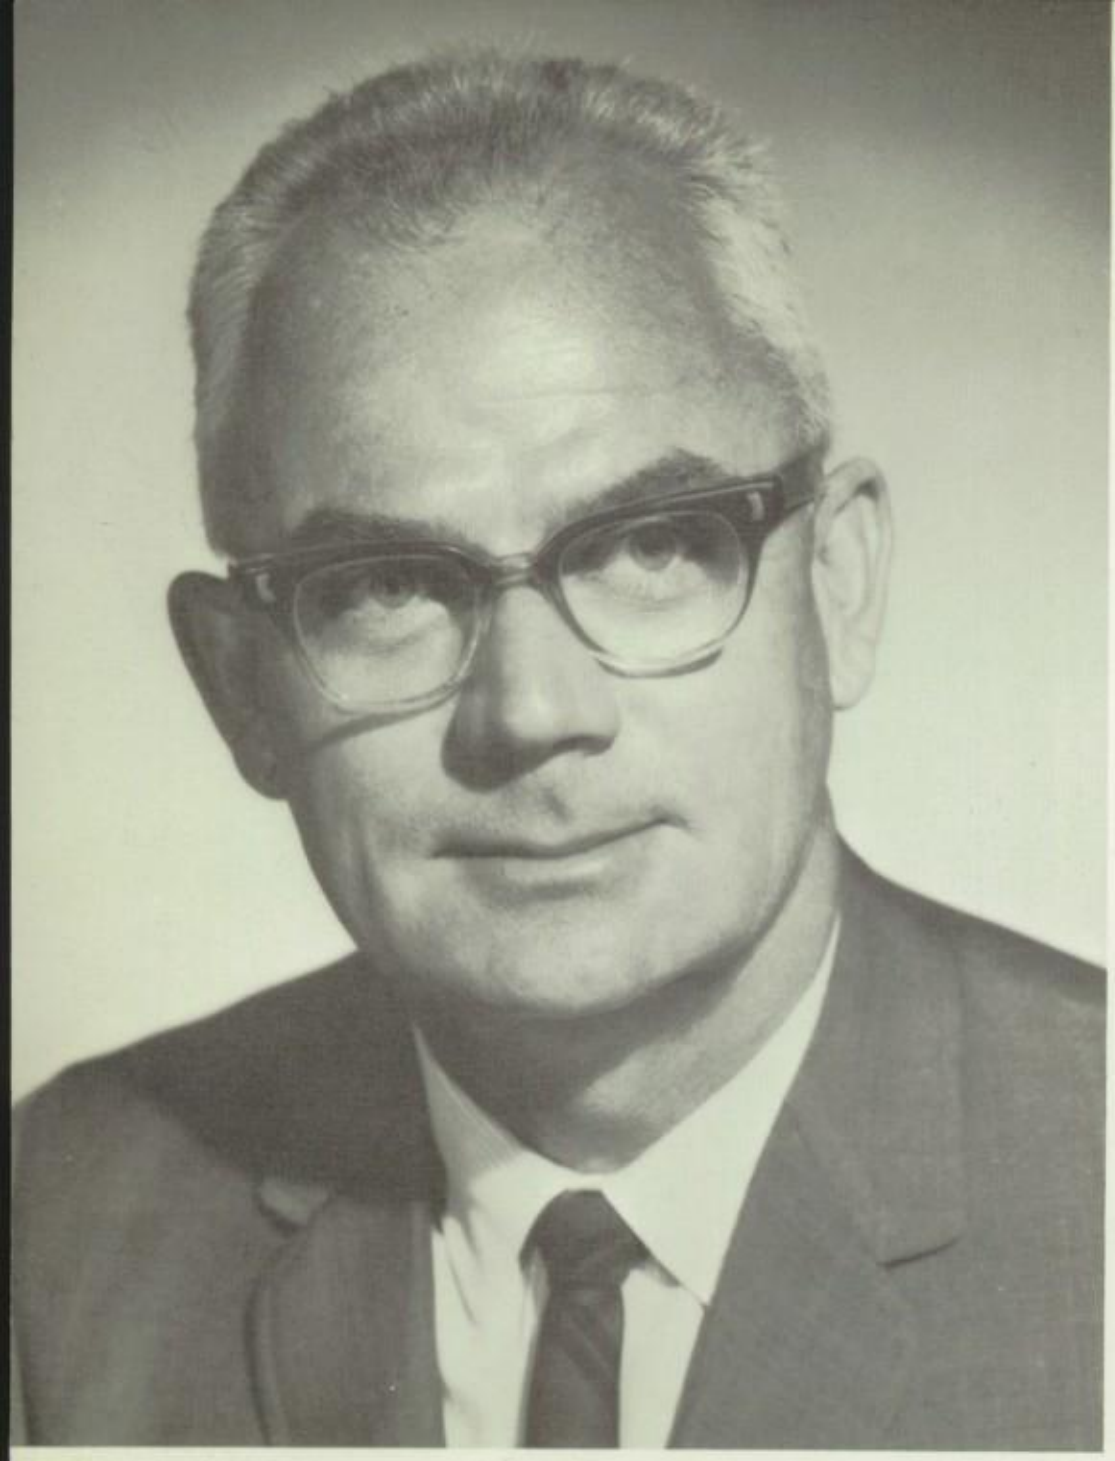
Upon graduation from Illinois State College, and before he became settled in the west, Uncle Sam requested his services. He spent four rather slow years stationed in England as a Lieutenant in the Army Ordinance Department.

Mr. Born is happly married and has three sons, Steve, Mike and David. He studied art and worked on his teaching credentials at the University of California at Los Angeles, and all this, while living in a homemade twenty-four foot trailer with his wife Lois. Upon finishing his work at U.C.L.A., he obtained a Master's Degree from U.S.C. in Ceramics. To fill in his "spare time," he not only designed, but built his own home.

Prior to teaching, Mr. Born designed and sold glassware to leading department stores. He has many hobbies; skiing, painting, sailing, hiking, fishing and mountaineering, and as we discovered in "Alpine Escapade" in the "Follies '64," mountaineering is probably his favorite past time. To insure his outdoor career, he is Boy Scout Master of Troop 40 in Pasadena.

Photography takes the bulk of his time, and being a true professional, he is very active in the Art Association. Several years ago he served as president of the organization and supervised various institutes for other teachers. He has done much work in conjunction with athletics in the form of action movies used as training guides for athletes.

We, the students at Eagle Rock feel fortunate to have the use of his time and talents. In writing this, I would like to extend my thanks to Mr. Wilson, Mr. Hansen, Mrs. Furbush, Mr. Allison, and most of all to Mrs. Born.



Admini-stration

Your Annual is a living and permanent record of activities at Eagle Rock High School for this school year. As you look through the pages of your book, I hope you will remember the many fine things that happened as well as the good people who were in school with you. To you and others, it should, as the years go by, bring happy memories of this particular year. This book was made by your Totem Staff but the making was possible only because all of you were here. The study, athletic activities, and day-to-day contacts with your teachers and fellow students made this the year it was.

To those of you who have more school days ahead at Eagle Rock, we trust that this was a good year but that each succeeding year will bring the growth and development that makes for better citizens in our free and democratic country. To you who graduate, we wish you the best and trust that you will continue in some phase of education so that success and thorough knowledge and skill will come to you.

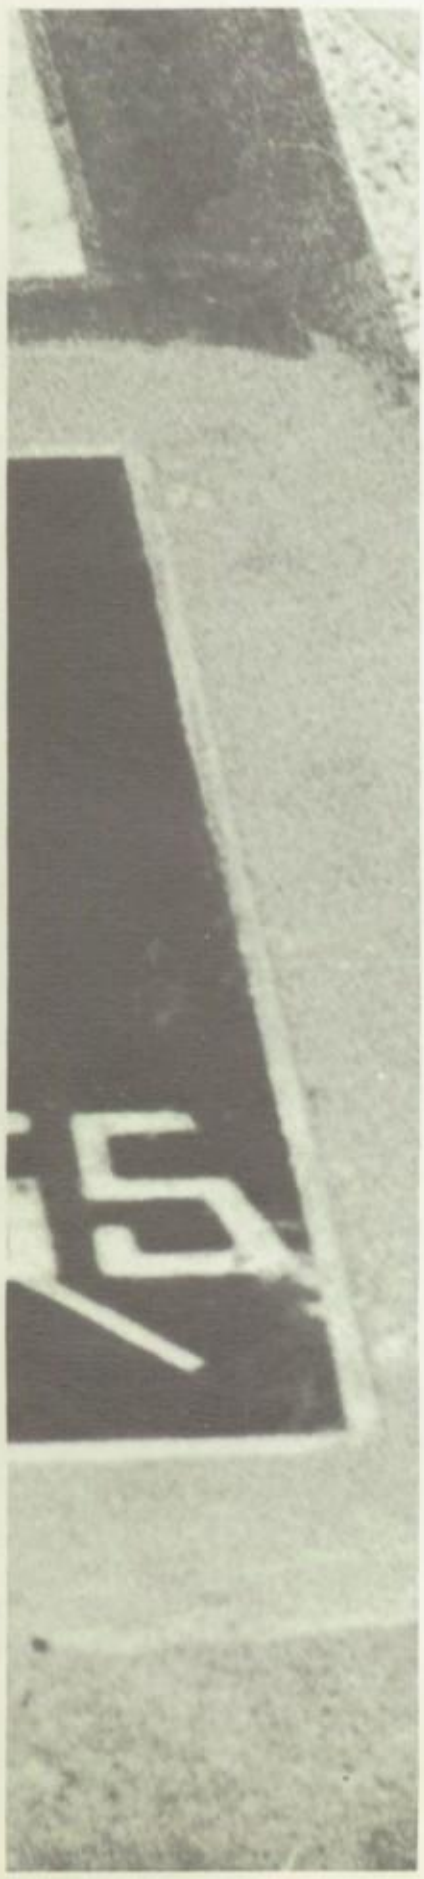
SENIOR CLASS
WINTER '65



BRAVE AND MIGHTY

WE ARRIVE...

On a cold winter morning of February 2, 1959, we, the mighty Pretorian Class of Winter '65 entered Eagle Rock Junior High School, ready to take on new responsibilities and complete our secondary education. After getting acquainted, our class began joining in on the clubs and activities such as Treasurettes. Athenians, Wawokyas, Yomen, and Lancers. Before we knew it, we were mighty A-9's choosing Steve Barnes, President, Bill Lomen and Debbie Hon, Vice Presidents; Richard Kelso and Carol Turchi, Treasurers; and Chris Pyle, Historian.

On the afternoon of January 31, 1962 our Graduation was held in the school auditorium. Those speaking to the theme "Leaders for Tomorrow" were Andrea Molz, Elaine Kolish, Judy Mikolyczyk, Carol Turchi, and John Tornell. We spent an enjoyable evening celebrating, by swimming and dancing at the Glendale Y.W.C.A.

Returning again for another three years we were proud to be a part of Eagle Rock High School. We greeted new classmates from Irving Junior High School and other neighboring schools. Our first organized class activity was the B-10 Reception. Remus Jackson spoke to the theme of "What Next B-10s?"

Many of our class members joined service clubs and activities at Eagle Rock and became leaders. Jon Hutchenson, in his B-12 semester, served as Senior Board President; Pete Major, also as a B-12 served as Student Body Vice-President. In her A-12 semester, Judy Mikolyczyk held the honor of being Moshitamoi President; Debbie Hon also in her A-12 semester was Moshitamoi Vice-President; Chris Pyle served as Lettergirl President. Judy Mikolyczyk, Chris Pyle, and Andrea Molz were Cotton Cluster Attendants representing our class. Lettermen, Garconettes, Kabanokas, Squires, and Drill Team were joined by many members of our class. Our mighty football team was well represented by the Pretorian Class. Those serving it were Glenn Haas, Dennis Scherr, Steve Hostetter, Bob Humphrey, Pete Major, and Vic Leach. Cheering our team to victory was varsity cheerleader, Rich Mosher, and Bee Cheerleader Dennis Westervelt.

We soon began to organize as one united class in our A-11 semester. Serving as officers were Pete Major, President; Chris Taylor and Richard Kelso, Vice-Presidents; Charles Barthel and Elaine Kolish, Treasurers; and Chris Pyle, Historian. It was now that we felt like a close-knit class and were eager to work together to make our senior years as sucessful as possible. As B-12's our officers were: John Trimble President; Judy Mikolyczyk and Bill Lomen, Vice-Presidents; Debbie Hon Secretary; Elaine Kolish and Vic Leach, Treasurers; and Barbara Roberts Historian.

Then came the day we had dreamed about all through high school . . . Sweater Day. On February 13, 1964 we rang out our mighty name PRETORIANS and our beautiful colors—Lime green and charcoal gray. We echoed throughout the halls our great song and yell. then we dashed off on February 14, to an unforgettable evening at Ports 'O' Call Restaurant in San Pedro. Our class emblem was designed by Barney Tiernan, which pictures a knight shooting an arrow meaning "Royal Guard". We then presented the graduating Valparaisians with their Senior Breakfast, "Paradise in Paris". Leading the school as Student Body President, as an A-12, was Jon Hutchenson.

On June 5, 1964, our Senior Prom was held at the Eagle Rock Club House where we danced to the theme "Moonlight Memories". Representing Pretorian Beauty was Queen Judy Mikolyczyk and her court, Dina Hoyland, Debbie Hon, Chris Pyle, and Andrea Ketchem. After the prom, everyone went to exclusive clubs for a midnight dinner.

For the June '64 Valparaisian Graduation, Ropegirls were pinned. They were. Gail Armitstead, head Ropegirl. Chris Taylor. Andrea Molz. Judy Mikolyczyk, Nancy Kenny. Charlene King, Chris Pyle, Andrea Ketchem, Debbie Hon, and Barbara Roberts.

Finally, we had once again reached the top of the ladder. We were now A-12s, the mighty "senior ayes". To lead us we choose Bill Lomen President, Nancy Kenny and John Trimble, Vice-Presidents; Chris Pyle,Secretary; Andrea Molz and Vic Leach, Treasurers; and Gail Armistad, Historian.

On October 4, we had a beach party at Huntington Cliffs. A good time was had by all.

On October 13, we had our Senior Reception honoring our parents, and to inform them of the cost of graduation. The hostess for the evening was Andrea Ketchem. Modeling graduation attire were: Gail Armitstead, Rich Mosher, Charlene King, Dennis Westervelt, Andrea Molz, Pat Cornwall, Linda Malcolm, Remus Jackson, Chris Pyle, and John Trimble. Speakers that night were Andrea Molz and Gail Armitstead.

On November 3, we received our beautiful class pins and wore them proudly throughout the rest of the semester.

Debbie Hon and Remus Jackson were voted by the student body to be honored as All American Girl and Boy, at the Juke Box Hop on November 13, 1964.

Finally we were honored at our Senior Breakfast on January 15, 1965, presented by the Aquilaeans. On the same day our beautiful placque designed by Class President Bill Lomen was laid to be a part of Eagle Rock High School always. Also the Will and Prophecy of the members of the graduating class was read.

Our Baccalaureate was held on January 24, where we were inspired to endeavour new concepts after graduation.

The end of a long but worthwhile journey . . . Graduation, January 28, 1965. As we received our diplomas we walked out of the doors of Eagle Rock as young men and women. That night, the finale of our high school years took place at The Pickwick Recreational Center in Burbank, California. We would like to thank Mr. Schiller for being so helpful to us as our class sponsor.

Now that a chapter of our lives has ended, we will go on, this time as individuals to write new chapters. We shall never forget Eagle Rock, its students, and its faculty, for they are a part of something that will remain in the hearts of each and every one of us for many years to come.

SENIOR CLASS

Summer 1965

A CAROUSEL

"We're the mighty AQUILAEANS of S'65
Our name will echo through the halls
Of Eagle Rock High..."

As the music swells, that unforgetable carousel and its six magical horses come into view.

Scrub, the farthest back has left, but few memories, while the other horses in yearly succession represent some of our fonder memories.

Bobby Sox saw us taking a bolder view by taking part in the competition. While getting the feel of the race, we turn to put on a grand show but now time has passed and has caused Bobby Sox to fall behind, too.

Go Go seeing the chance and feeling elite helped us take the lead as mighty A-9's. For the first time we were organized as a class. We elected as our class officers, President: Mike Rice; Vice-Presidents: Lynn Freestone and George Parlee; Secretary: Sue Turner; Treasurers: Linda Koerner and Scott MacCluer; Eagle Scream Representative: Donna Sproul. The Student Body Officers also came from our already mighty class. Elected were President: Roy Blaylock; and Secretary: Pattie Harsh. Older than most of the others and leading in all fields nothing could stop Go Go's fleeting heels and we were soon graduating from Jr. High.

The music fades just a little as perhaps the class contemplates its past mistakes and dreams of the future. . . .

Suddenly the music becomes very gay as Mr. Green takes the lead. Students from Irving joined our forces and we were off and running again in our race for education. Mr. Green brings back to memory the B-10 Reception, its theme "New Problems In A New World", and its speech contest winner Richard Ferraro. This year also brings back the memory of standing in interview lines for the various clubs; Kabanokas, Garconettes, Vendeurettes, Squires and Key Club.

Mr. Green moved swiftly and the following year Mr. Gray led us on. This year was the beginning of what became a gigantic snowball. Once again we began to take over as the leaders of the school. Many officers of the various clubs and organizations came from our class. Mr. Gray soon turned us over to Mr. Scott Wilson who became our Class Sponsor. We elected as our officers, President: Bob Knight; Vice-President: Lynn Freestone and Mike Rice; Secretary: Danielle Beckstead; and Treasurers: Susan Cable and Bob Kocher. It was then that a few of the class joined Moshitamoi and Eagle Knights.

Coming down the last stretch, leading us on is Mr. Blue. The music has faded out now and has been replaced by an enthusiastic AaaQUILAEANS!! The long awaited Sweater Day was upon us..September 25, 1964. As a class we choose powder blue and charcoal gray to go with an undying name ---AQUILAEANS. Once again we choose class officers to lead us. They were President: Neil Ciarfalia; Vice-Presidents: Linda Phillips and Brian Roberts; Secretary: Sue Gibson; Treasurers: Patti McGinley and Bill Crawford; and Historian: Susan Cable. Now we were official, with our new name, colors and officers, we also gained noteriety by having a candid Sr. Case and notorious Sr. Column The music becomes exciting again for many of our fondest memories lie in our Senior year.

Our powerful Varsity and Bee teams took the Northern League Football Championships. Cheering football stars John Aulenta, Scott MacCluer, Bob Fischer, Bob Knight, John Leitch, George Parlee, Lon Pursell, Jerry Moore, Mike Rice and Mike Zeller on to victory were Judy Burnett: Head Cheerleader, Lynn Freeston, Rosa Landreth, John Allin, Head Yell Leader; Brian Roberts, Bill Crawford, Mike Porter, Diana Ebersbacher, Head B Cheerleader, and Danielle Beckstead. Remember the fasinating half-time entertainment put on by the Drill Team under the direction of Captain Pat Saracino and Co-Captains Diane Dunlap and Diane Messner? The Band was under the direction of Dan Rasmussen. WOW . . .an expression heard around the Rose Bowl as Beautiful Queen Judy Burnett and her royal court, consisting of Nancy Almond, Lynn Freestone, Judy Revling, and Linda Swett, were presented as Homecoming Court— 1964. Leadership was seen in our class when the Student Body chose to elect Judy Revling as Secretary.

The time finally came when once again we were on the top. With such an active semester ahead of us we elected President: Mike Rice; Vice-Presidents: Judy Revling and Mike Orosel; Secretary: Sue Gibson; Treasurers: Judy Burnett and Brian Roberts; and Historian Diane Messner. The AQUILAEANS put on a grand display of leadership . Presidents of Kabonokas were Diane Golambewski and Pat Saracino; Garconette President Vickie LaVoire; Moshitamoi President Lynn Freestone; Girls' League Presidents, Patti Harsh and Donna Sproul; Lettergirl President, Judy Butler; G.A.A. Presidents Kathy Sudlow and Karin Lofgren; Teen Troc President: Pat Martinez; Totem Editor, Shirley Ford; Eagle Scream Editors: Patti Soule and Danielle Beckstead; Squire President, Bob Dinga; Knight Presidents: Scott MacCluer and John Leitch. That is not all!! Under the direction of Associated Student Body President Roy Blaylock and A.S.B. Secretary Rosa Landreth; Girls Court Chief Justice Diana Ebersbacher; and Boys' Chief Justice: Bob Batchelor. Eagle Rock was familiarized with what outstanding leadership can do for the betterment of a school.

Mr. Blue's pace never slowed down and soon the prom was also a memory. Shortly Bacclaureate too was behind us and graduation day here. June 17th - - a day long hoped and dreamed for and grad night at Catalina. Now these too are but fond memories. A note of gratitude to our class sponser Mr. Wilson lies in every heart.

The music finally begins to dim and the six unforgettable horses fade from view. Soon there is nothing tangible left of the carousel and leaves blow over the spot where it once stood. But if you squint your eyes into the future you may just be able to catch a glimpse of the carousel and listen! Can you hear the music?

Respectfully submitted,

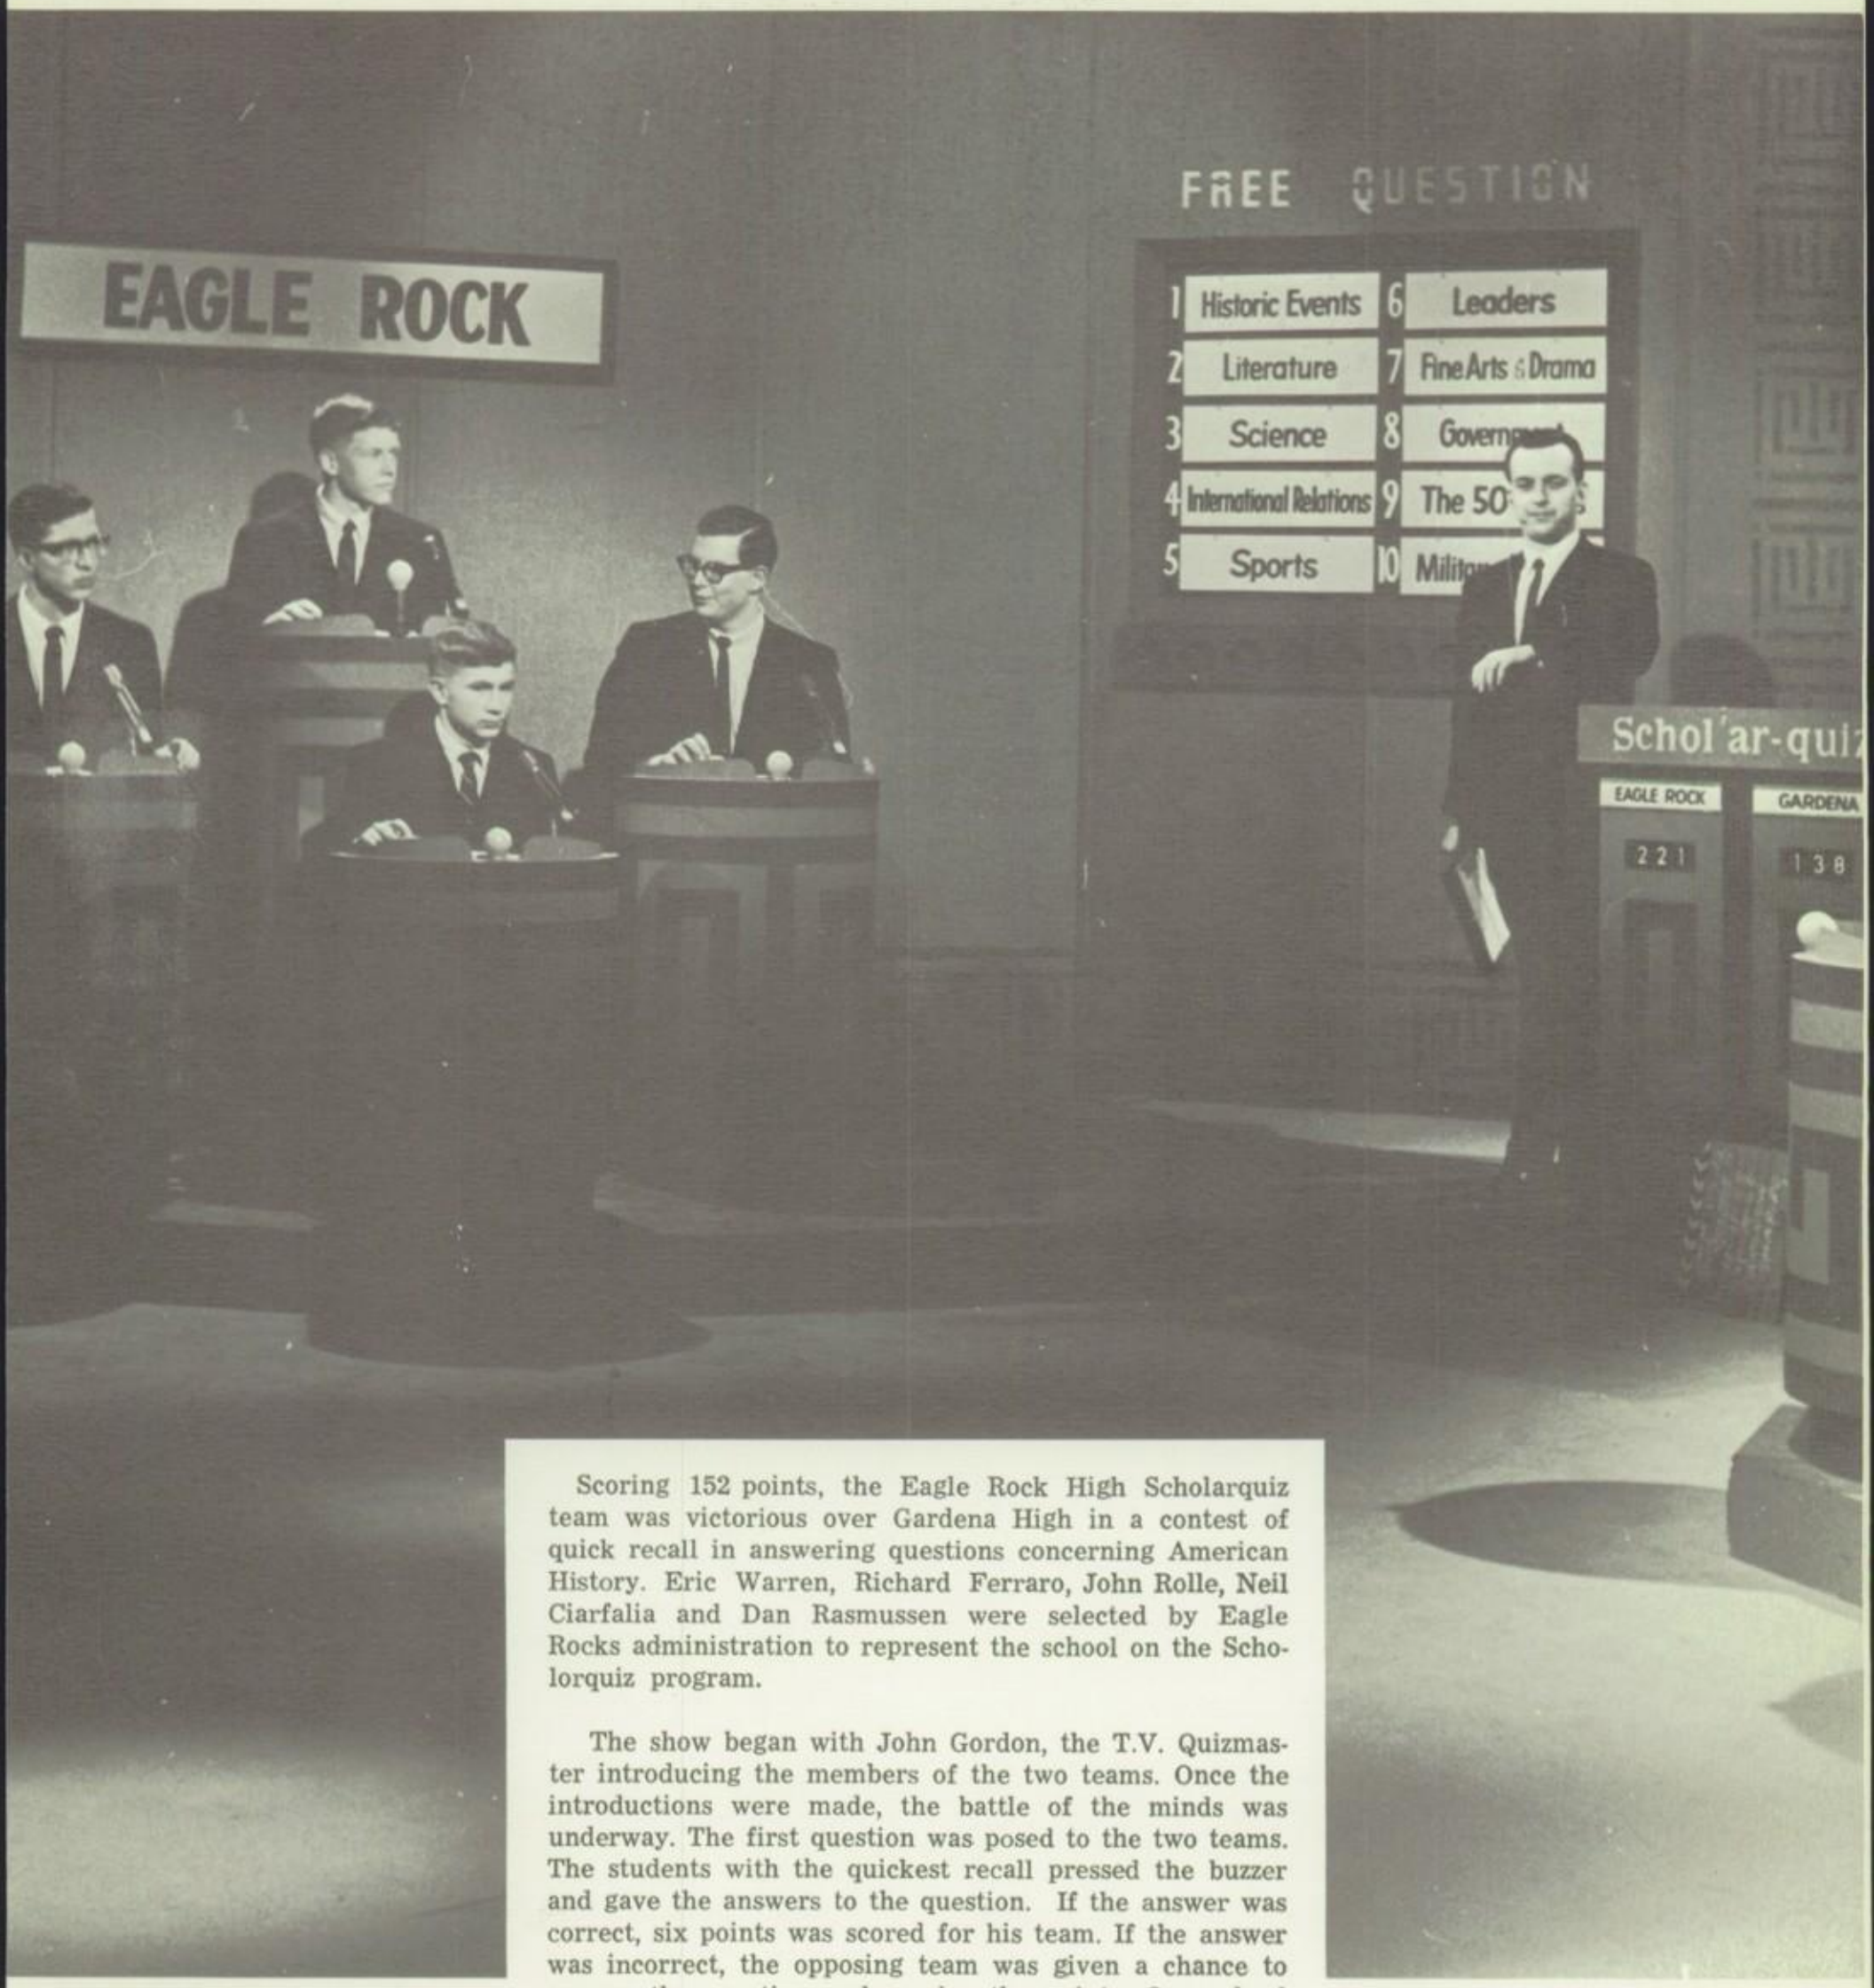
SCHOLARQUIZ



Scoring 152 points, the Eagle Rock High Scholarquiz team was victorious over Gardena High in a contest of quick recall in answering questions concerning American History. Eric Warren, Richard Ferraro, John Rolle, Neil Ciarfalia and Dan Rasmussen were selected by Eagle Rocks administration to represent the school on the Scholorquiz program.

The show began with John Gordon, the T.V. Quizmaster introducing the members of the two teams. Once the introductions were made, the battle of the minds was underway. The first question was posed to the two teams. The students with the quickest recall pressed the buzzer and gave the answers to the question. If the answer was correct, six points was scored for his team. If the answer was incorrect, the opposing team was given a chance to answer the question and receive the points. One school giving three correct answers in a row, resulted in a "free question" for that team and allowed them to earn extra points.

At the end of round one, the score was Eagle Rock 64 and Gardena 70, but at the completion of round two, the score was Eagle Rock 152 and Gardena 118, putting the team from Eagle Rock in the winners circle.

SECRETARY
JUDY REVLING

The office of Student-Body President is an honor in which, I wish all of you could share. I would like to thank you again and assure you of my gratitude. During my Senior year there have been many changes of which I am very proud. These could not have been possible without the help of my cabinet and an active and interested student-body. I would like to think that Eagle Rock is a better school now, because of this. I am certain that with the type of interest and enthusiasm you have shown this semester, Eagle Rock cannot help but become greater than it already is.

Sincerely,
Roy Blaylock

Some day when this school is just a recollection of a thing past, the memory's recall will be shaped by how much you've been a part of the school year. Your inner involvement is a thing that will bring alive this paper memory. The special efforts put into being a president, cheerleaders and member of a club or committee usually brings a happiness and satisfaction that is very difficult to explain, but it won't be forgotten. The endless amount the Staff has contributed in creating this yearbook has made it, for them, an important part of this school year and a wonderful memory. I think we all share a special pride in making this a memory for all of you.
